working towards an **outstanding** school

SUB TUO PRAESIDIO

Be part of the **sporting future** at st. mary's

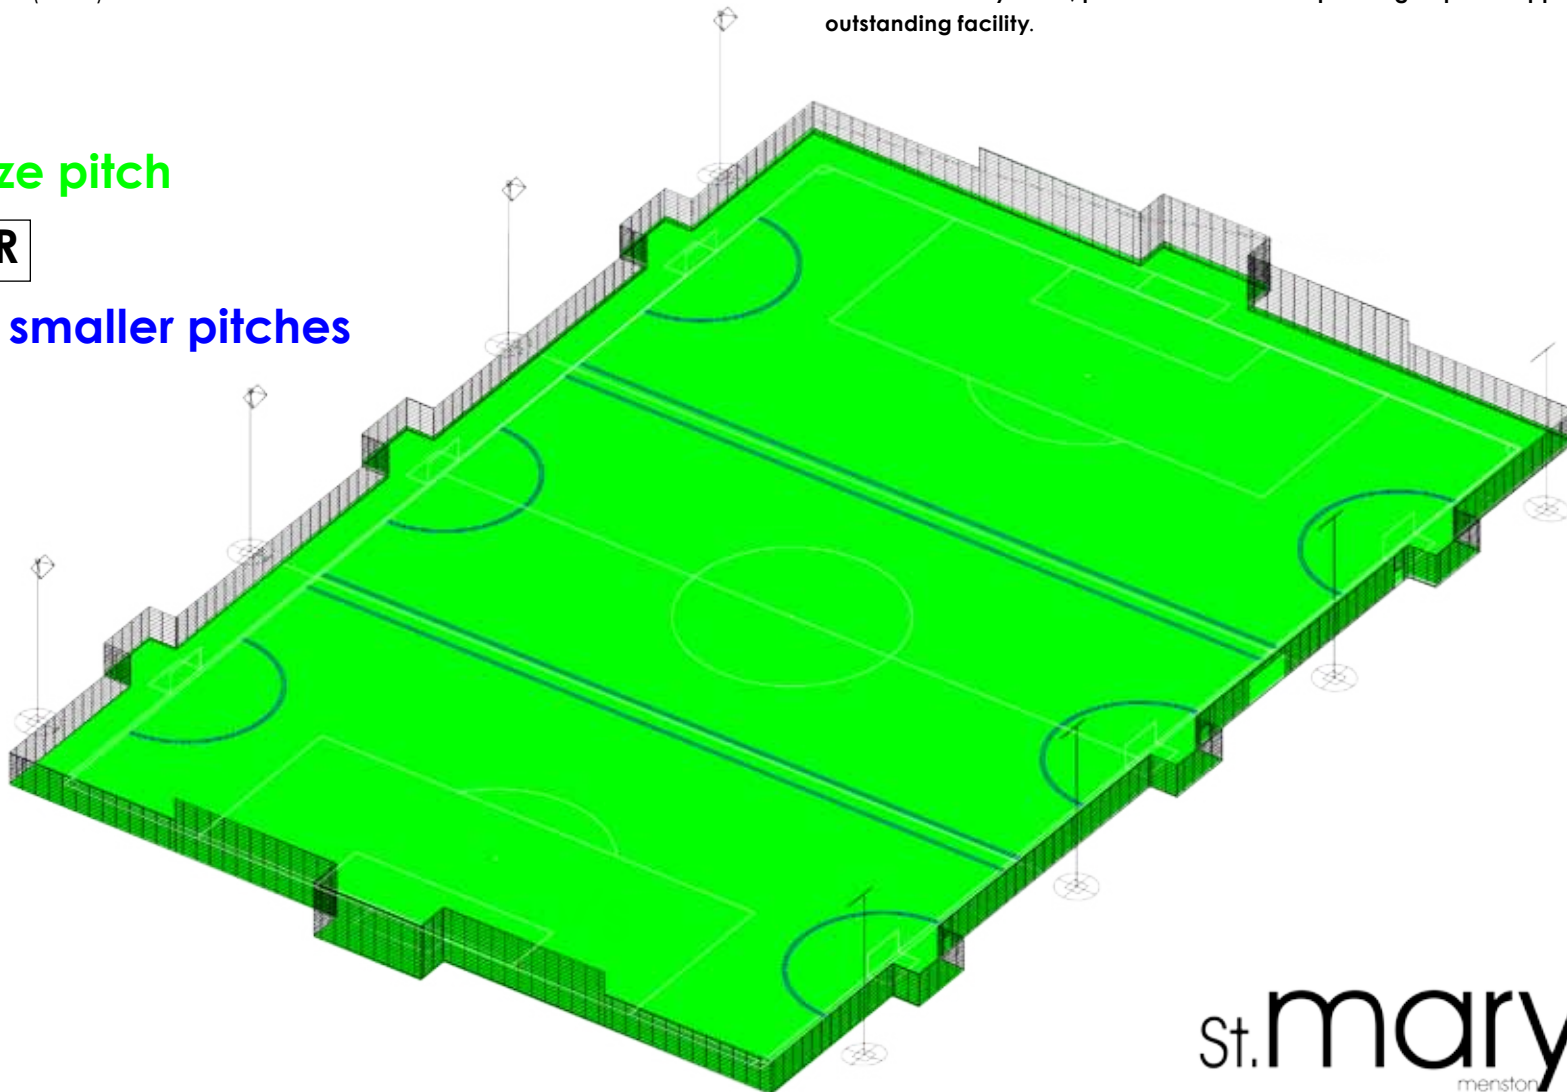

St Mary's School is delighted to announce the opening in January 2011 of the eagerly anticipated state of the art 'Artificial Turf Pitch'. The new facility includes a full size synthetic surface Football pitch, including three smaller pitches for dual usage. The schools remaining grass pitches will be re-drained, levelled and resurfaced providing St. Mary's and the local community with a modern showcase facility.

Funding for this project has been provided by the Football Foundation and the department for Children, Schools and Families (DCSF).

Open **January 2011**

The school is excited about the significant difference this facility provides to our pupils, staff and local community. We have developed a range of exciting plans to provide outstanding opportunities for our pupils, partner schools and are delighted that our principal community junior Football Clubs Guiseley Juniors FC, Burley Trojan's Juniors FC and Menston Juniors FC will enjoy the benefit of developing and growing their clubs on such an outstanding facility.

In addition to St Mary's school and our community partner clubs we are delighted to offer **other community clubs, private teams and corporate groups the opportunity to use this outstanding facility.**
